"I like to see a man
proud of the place
in which he lives.

I like to see a
man live so that
his place will
be proud of him."

Abraham Lincoln

Bryan Kerley

These words spoken by Abraham Lincoln could very easily refer to Mr. Kerley and the Vienna High School. As superintendent for the past nine years he has encouraged us to have pride in sportsmanship, behavior, and a cooperative attitude. His faith in the students has been confirmed by the fine students who have graduated from VHS. This confidence and encouragement to loyalty, determination and high ideals has left a lasting impression on all of us.

Foreword

The lifeblood of VHS has flowed swiftly as the unforgettable moments and occasions occurred this year.

An atmosphere that tingled with sincerity, nervousness, sadness, and happiness has been sensed this year and never again can be recaptured.

In the future as we reminisce about the "good ole days," our hearts will feel a spark of pride as we remember how we caused VHS to be the best ever.

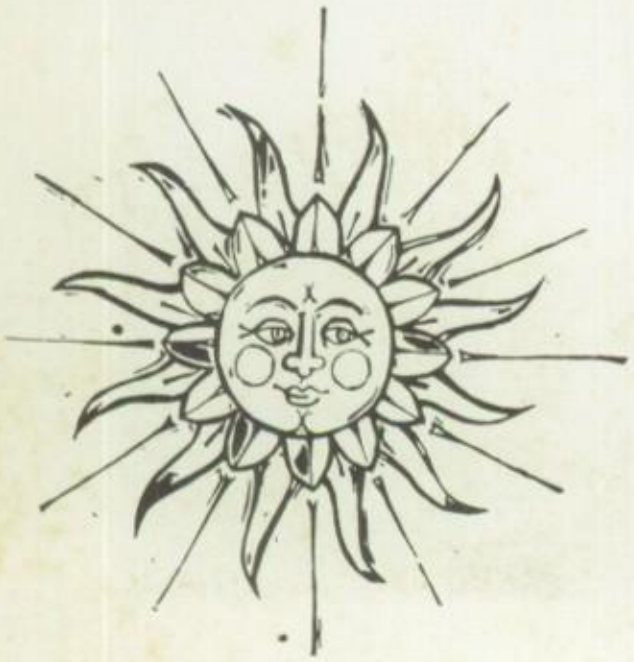
August 26 brought to a close a great summer and the start of another school year for about 390 VHS students. Mr. Murrie and Mr. Arrington were our new faculty members. The Freshmen elected class officers and Student Council members. Senior and underclassmen pictures were taken too.

Elliott, Obourn, Jefferies, and Miles were chosen queen candidates and there followed lots of poster parties and skit practices. This year's theme was "A Time For Us." Jackie was crowned Queen at the climax of Homecoming on Dec. 6. We returned from our Christmas Vacation on Jan. 5 and got back into the swing of things with semester exams on Jan. 8. The Sweetheart Dance was held on Feb. 28, after being postponed because of snow.

With March came the close of another basketball season. The Varsity record this year was 6-16. Vienna hosted the Regional Tournament again. On March 14, 30 seniors and their sponsors, Mr. and Mrs. Stewart and Miss Sayers, left for a week in Washington D.C. and New York City. School adjourned from March 23 to March 30 for a nice long Easter Vacation. In April the FTA sent 5 to the convention in Chicago and the Beta Club sent 29 to their annual convention in Springfield.



The Spring Concert was May 1. The theme for it was "Up, Up, and Away." The annual Athletic Banquet was held on May 8 and all the ball players and cheerleaders were honored. Mr. Smelcher from SIU was the speaker and it was thoroughly enjoyed by all who attended. Cheerleader tryouts were held as usual and the selection for next year was quite good. May 18 was both Awards Day and the trackmeet. Finally came graduation on May 29. It was the close of another great year for most, but for the seniors it was the end of their four years at VHS.

Faculty Picnic

Monday, May 11, the faculty, administration, board members and their families enjoyed the annual faculty picnic at Lake Glendale. Mr. Chester and Mr. Webb had spent the day fixing delicious steaks for the dinner. This was Mr. Kerley's last picnic as a member of the faculty so, of course, it was a sad moment, but the food along with the fun that everyone had made it a very enjoyable evening.

HORIZONS ... from HERITAGE through HOPE

The first ray of light
And it begins ...
Growing, spreading, swelling,
An imdomitable spiral
Up and out and through:
So man, on his journey through
Life and experience,
Finds himself with but three tools -
His Heritage, the gift of those who
Struggled, grasped, and spent themselves
Before him;
His Hope,
Burning in the hand he holds in his;
And his Horizon,
That infinite, vacillating place in tomorrow
That leads him on.
There is no turning back,
No standing still in the silence
Of morning light,
There is but to move on,
And up, and out
And as one goes, we all go;
As one seeks to find,
We grope with him,
Bound together by the plea from the past,
The pledge of the present,
And by the clarion
Challenge of the beyond.
And so it is
That we return
Always
To the beginning,
To the light,
And the promise of eternal experience
By which man finds his way
To the Horizon ...
From Heritage
Through Hope

Juniors

Class of 1971

At the top are pictured the Junior CLASS OFFICERS. Seated (from the left) are Vicki Nicholson, vice-president; Lois Hacker, president; and Pat Bullock, secretary-treasurer. These girls are industrious and have proven to be quite an asset to the class.

Mr. Jeffries and Mrs. Breeden are the juniors' SPONSORS. They have worked with the juniors on such projects as building a float for the Homecoming parade and selling Xmas wrapping paper. For their services goes the thanks of the Junior Class.

Here are seen the CLASS SWEETHEARTS, Miss Linda Chester and Gary Jackson. Linda and Gary are both active in class and club activities.

It is appreciated greatly, all that the Student Council has done this year to improve our VHS.

The Eagles had a rather disappointing season this year as they managed a 5-17 record. However, they did manage a 4-3 record in their conference play. The Eagles lose Webb, Beasley, Zimmers, and King from this year's squad and face a complete rebuilding in next year's team. The Eagle's rebuilding centers around Taylor and Flannigan, who will be repeaters off this year's squad.

The "Baby Eagles" enjoyed a good season as they compiled a 7-4 record under the coaching of Mr. Arrington. The freshman boys exhibited a very noticable desire and enthusiasm in their eleven games. With the experience gained this season and the attitude of these boys, we expect great things from them in future years.

Next year the Eagles look promising as only four of the entire squad are seniors and the Eagles look forward to a very good season.

Sweetheart Fantasy

Mrs. Hodges and her Home Economics girls did a splendid job decorating the gymnasium - twice! The first dance had to be canceled due to snow and ice, but the second was a big success for the Home Ec. department.

Winter Carnival

The seniors and their sponsors both worked very hard toward the Winter Carnival. They made a profit of about $500. There were many concession stands and a record dance afterwards. The money that was realized was well used toward the Senior Trip. Some of the stands that are not pictured were: Fishing Booth, Penny Toss, Auction Block, Cake Walk, and a Ball Bounce.

The All-School Play, "The High School Mystery," was a big success due to the diligent work put forth by all cast members, make-up crew, stage workers, prompters, and sponsors, Mrs. Arnold and Mrs. Breeden. There was a large turn-out at the presentation, and several members of the cast of 1939 attended. This year the play included a kind of "audience participation."

In this scene from the play, Mr. Howard (Greg Taylor) is thought to be dead.

It was too late when Mrs. Reed (Kathy Whitesides) realized that she had the sheriff and not the culprit!

7 Wonderful Days

On March 14, 30 seniors and their sponsors, Mr. and Mrs. Stewart and Miss Sayers, left for 7 wonderful days on the East Coast. Their first overnight stop was in Natural Bridge, Virginia. Then it was on to the Capitol for two days. There they saw the government at work along with many pleasurable sights. The highlight of the trip for most was New York City. Here they enjoyed Radio City Music Hall, the Statue of Liberty, and the United Nations. Finally after a much too short and very exciting week the chartered Greyhound, with its weary seniors, pulled up in front of VHS to end a trip they will never forget.

The following seniors made the 7 day trip:

From the Editor

To the freshman, the sophomore, and even the junior, the buildings that make up VHS mean little more than a place where teachers call attention to your every mistake, where long assignments are given, or where nine months of slavery are spent each year. But to the senior, as he strolls through the gym of the lobby for the last time, these buildings have a very special meaning. He recalls many pleasant moments here during the past four years. He begins to realize all the services and opportunities that VHS has offered him, and he wonders if he has taken full advantage of them.

Knowing that your high school days will probably be the happiest time of your life, and these experiences should be treasured in the years to come, the Illianna staff has tried to capture a little of the excitement of going to school at VHS.
